

Availability Calendar

Description
Benefits

Description

The Availability Calendar is where you can see bookings as different coloured blocks and can quickly identify available dates and accommodations.

Benefits

The Availability Calendar allow you to:

1. View bookings as different coloured blocks which indicate [different statuses](#).
2. Create new guest and owner bookings.
3. Confirm or cancel bookings.
4. Quickly move bookings and block periods.
5. Assign categories to accommodations.
